

National University of Computer and Emerging Sciences, Lahore Campus				
	Course:	Applied Physics	Course Code:	NS1001
	Program:	BS CS	Semester:	Fall 2022
	Duration:	Till Thursday	Total Marks:	10
	Date:	10-10-2022	Section:	BCS 1B
	Exam:	Assignment 2	Roll No:	
	Name			
Instruction/Notes:	Attempt All Questions			

Instructions:

- 1- Send me the written report of this assignment on Google classroom till Thursday.

Attempt the following questions

Q1- Write down a program of Projectile motion without making Custom function by giving Theta and velocity as input.

Q2- Write down a program of Projectile motion without making Custom function measuring Height and Range represented by Plots.
