

Important Announcement – Final Report Submission & Presentation

Dear Students,

This is to inform you that the **Final Report Submission & Presentations** for your course will take place as per the scheduled timeline given below. Kindly read the following instructions carefully and ensure full compliance:

1. Final Formal Report Submission

- Each group must submit a **hard copy** of their final report.
- A **plagiarism similarity report** must be attached along with the hard copy.
- Reports must follow the formal structure and formatting guidelines taught in class.

2. Presentation Requirements

- Each group will deliver a **formal presentation** based on their final report.
- The content must be **precise, well-structured, and professionally presented**.
- All group members must be present.

3. Correspondent Group Interaction

- Correspondent group will be responsible for asking questions after each presentation.
- Questions should be relevant, analytical, and based on the content presented.

4. Dress Code

- **Formal dressing is mandatory** for all group members on the day of presentation.
- This will be part of your assessment criteria.

5. Submission Deadline

- The hard copy + plagiarism report must be submitted **before your presentation starts**.

6. Submission and presentation Timeline:

- **Thursday 27th November, 2025, Group 5, Group 2 and Group 8.**
- **Tuesday 2nd December, 2025, Group 4, Group 6 and Group 3**
- **Thursday 4th December 2025, Group 1 and Group 7**

7. 📌 Presentation Guidelines & Instructions

Your presentation must include the following:

Introduction

- Topic overview
- Purpose of the study
- Scope and background

Methodology / Process

- Data collection & tools used
- Procedure followed

Findings & Analysis

- Key insights
- Data interpretation
- Relevant statistics, visuals & charts (if applicable)

Discussion

- What the findings mean
- Challenges & limitations

Conclusion & Recommendations

- Final outcome
- Suggestions based on research

Q/A Session

- Every group must be ready to answer questions

Technical Instructions

- Presentation time **15-20 minutes per group** + Q&A.
- Presentation slides must be:
- Professional and readable
- No excessive text
- No irrelevant images or memes
- Consistent fonts, colors, formatting
- Ensure slide numbering is visible.
- Test your presentation on the projector beforehand.

Team Participation

- Every group member must speak.
- Individual marking will apply.
- If someone is absent without valid cause, marks will be deducted.

Professional Conduct

- Maintain classroom discipline.
- Respect the presenting group.
- No unnecessary movement or talking during presentations.

Dress Code

- Formal dressing is compulsory.
- Your attire counts toward professionalism marks.

Failure to follow ANY of the above requirements may affect the group's marks.

Please prepare thoroughly and demonstrate professionalism throughout.
